

The John Fielding Special School
Ashlawn Drive
Boston
PE21 9PX

15th January 2018

Dear Parents and Carers,

Your children are amazing! It has been a real joy to meet them and to begin to enjoy their rich and diverse personalities.

My vision for my time at The John Fielding School is very simple. I want it to be a happy place where the staff work in partnership with you and external professionals to help your children to develop and become as independent as they can.

It is your school and you are always welcome to call me or make an appointment to come into school to see me.

I am very excited by the prospect of a new school in Boston because we are limited by the age and state of the buildings. I hope that as many of you will be able to come along to the consultation event Daran wrote to you about last week (Monday 29th January 5-7pm at school). I am keen to see if we can get a Parent / Staff organisation off the ground and will use that consultation event to talk more about how we can develop our joint work to support the school.

With my very best wishes,

Richard Gamman
Head of School
