

The John Fielding Special School
Ashlawn Drive
Boston
PE21 9PX

Wednesday 7th March 2018

Dear Parents/Carers/Guardians,

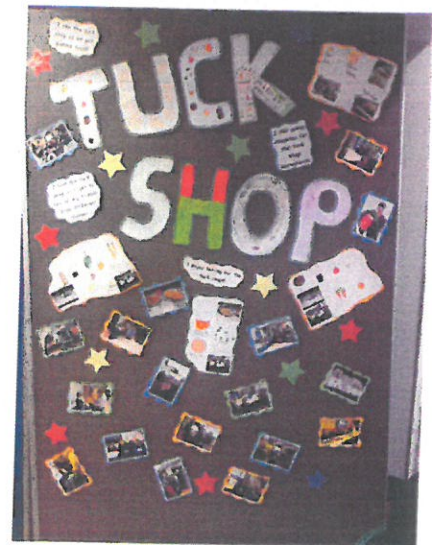

As you may be aware, every Friday as part of the life skills development of the young adults in Dolphins class, they organise and run a whole school tuckshop. They prepare a range of snacks and drinks for all of the children in the school. Due to the success of the first terms tuck shops and positive feedback from staff and children we have decided to continue this exciting venture.

Due to the tuckshop running it is not essential to send your child with a snack to school on a Friday, however in order for the tuckshop to continue running, we would like to ask if you would like to give a small monetary donation towards the ingredients. Any amount would be gratefully received. Please send any donations to school in an envelope labelled 'Dolphins Tuck Shop'.

If anybody would like to come and visit the tuck shop they are more than welcome to come and try some of the lovely food.

Thanks in advance,

Aaron Bloodworth-Flatt
Assistant Head.
