Dear Parents/Carers/Guardians,

Every Friday as part of the life skills development of the young adults in Dolphins class, they will be organising and running a whole school tuckshop. They will prepare a range of snacks and drinks for all of the children in the school and the classes have been allocated time slots visit the tuckshop. They will be given two tokens to exchange for two snacks. Once they have chosen their snack they will eat them in Dolphins class and have the opportunity to mix and eat with children from other classes.

Last week was the first tuckshop and was very successful, it was great to meet all of the children and we are looking forward to this week's. During last week's tuckshop Dolphins served homemade cheese straws, homemade flavoured water, cucumber sticks, angel delight, a variety of crisps, gluten free toast and a fizzy drink.

Due to the tuckshop running it is not essential to send your child with a snack to school on a Friday, however to ensure our tuckshop is able to continue running we would like to ask if you would like to give a small monetary donation towards the ingredients. Any amount would be gratefully received. Please send any donations to school in an envelope labelled 'Dolphin's Tuck Shop'.

Thanks in advance
